

The figure consists of four architectural drawings of a building foundation, labeled ELEVATION, SECTION, PLAN, and SECTION. The drawings include dimensions for columns, walls, and foundation elements.

- ELEVATION:** Shows the front view of the foundation. It features two columns, each 1'-0" wide and 2'-10 7/8" high. The columns are spaced 1'-6 7/8" apart. The foundation is 1'-3" wide and 1'-2 7/8" high. The columns are labeled "PORTLAND CEMENT" and "CONCRETE".
- SECTION:** Shows a cross-section of the foundation. It features two columns, each 1'-0" wide and 2'-10 7/8" high. The columns are spaced 1'-6 7/8" apart. The foundation is 1'-3" wide and 1'-2 7/8" high. The columns are labeled "PORTLAND CEMENT" and "CONCRETE".
- PLAN:** Shows the top view of the foundation. It features two columns, each 1'-0" wide and 2'-10 7/8" high. The columns are spaced 1'-6 7/8" apart. The foundation is 1'-3" wide and 1'-2 7/8" high. The columns are labeled "PORTLAND CEMENT" and "CONCRETE".
- SECTION:** Shows a cross-section of the foundation. It features two columns, each 1'-0" wide and 2'-10 7/8" high. The columns are spaced 1'-6 7/8" apart. The foundation is 1'-3" wide and 1'-2 7/8" high. The columns are labeled "PORTLAND CEMENT" and "CONCRETE".
