FOUNDATION PLAN REVIEW

Dear VJ:

At your request, *GeoEngineering Consultants (GEC)* has reviewed the plans of reference 2 for the proposed additions at the subject site.

Based on our review, it is our opinion that with regard to geotechnical considerations, the reviewed plans are in general conformance with the recommendations presented in reference 1.

Should you have any questions relating to the contents of this report or should you require additional information, please do not hesitate to contact our office at your convenience.

Sincerely yours,
GeoEngineering Consultants.
