

# City of Pleasanton

## BUILDING PERMIT INSPECTION CARD

Permit # \_\_\_\_\_

Schedule, reschedule or cancel inspections at [www.pleasantonpermits.com](http://www.pleasantonpermits.com), or through our automated Voice Permits system. Call (925) 931-5322 on a touch-tone phone the day before, or anytime up to 6:00am the day of your inspection. Have your permit number and inspection code ready. Permit types that require only a single inspection should only use the 999 -FINAL code.

| Inspection                                | Date | Initial | Inspection                                    | Date | Initial | Inspection                                                                 | Date | Initial |
|-------------------------------------------|------|---------|-----------------------------------------------|------|---------|----------------------------------------------------------------------------|------|---------|
| <b>Before covering trenches/piping:</b>   |      |         | <b>Before exterior wall or roof covering:</b> |      |         | <b>Pool Permits:</b>                                                       |      |         |
